

SUPREME STUDENT COUNCIL

ANTI-MOMMA POLICY OF MPSPC

Rationale:

The culture of chewing of momma has now become a major problem of the municipality of Bontoc. Thus, the municipality implemented Ordinance No. 125, s. 2008 which is also known as the Sanitation Ordinance of Bontoc. This ordinance prohibits the spitting of momma juice/concoction/material in any place in Bontoc.

MPSPC is part of the jurisdiction of the municipality of Bontoc, thus spitting of momma is also prohibited. However, with the municipality ordinance alone as a means of penalizing students, faculty members or staffs who are chewing and spitting momma in the premises of MPSPC is insufficient. Thus, there is a need to make a policy totally prohibiting the entry of momma in MPSPC.
