# ANNUAL Accomplishment *report*

BAGONG PILIPINAS

2023

## MESSAGE

It is with great pride and pleasure that I present the Annual Accomplishment Report of the Institution for the year 2023.

We, the entire MPSPC family, have always been striving hard to work for the development and progress of our beloved institution – the MOUNTAIN PROVINCE STATE POLYTECHNIC COLLEGE – in terms of instruction, research, extension, production, and to include the administrative services. No doubt we have come such a long way in the achievement of our Vision, Mission, Goals, and Thrusts – TRANSFORM.

This HUMBLE ACCOMPLISHMENTS are fruits of all our labors where we have all pitched in, worked on hand-in-hand, and unitedly endeavored, thus coming to its fruition.

I then SINCERELY THANK the entire MPSPC family, partner agencies (government and non-government), the members of the Governing Board, partner communities, stakeholders, the students, and faculty and staff, for the continued support, initiatives, and love. Let us continue working altogether in the years to come for the best and success of MPSPC, for everybody's success.

MATAGO-TAGO TAKO AMIN! KHAWIS AY MPSPC! GAWIS AY MOUNTAIN PROVINCE!

**Dr. EDGAR G. CUE**  
SUC President III

## HIGHER EDUCATION SECTOR

The Higher Education sector continues to sustain the delivery of quality tertiary education to its main clientele – the students, and the nurturance of the professional development of its main human resource – the faculty members. In the year 2023, the Sector has accomplished most of its target across its five major final outputs which include (1) Curriculum & Instruction; (2) Quality Assurance and Continuing Quality Improvement; (3) Faculty Development and Advancement; (4) Student Development Services; and (5) Academic Linkages and Internationalization.

The sectoral accomplishments cover various Sustainable Development Goals which serve as a testament to the College’s unwavering efforts to contribute to their realization that helps increase the institution’s visibility in the international educational arena. The SDGs covered include SDG 1 (No Poverty); SDG 3 (Good Health and Well-Bing); SDG 4 (Quality Education), SDG 5 (Gender Equality); SDG 8 (Decent Work and Economic Growth); SDG 15 (Life on Land); and SDG 17 (Partnerships for the Goals).

Overall, the Higher Education sector reports tangible accomplishments that contributed to the realization of the College Administration’s VMGT and core values. In terms of curriculum and instruction, the sector showed evidence of the enhancement of teaching and learning that are aligned to regional and national mandates. In terms of quality assurance, the sector helped place the College in the world map through its first-ever international ranking conferred by WURI, and added to these are its national and regional citations given by AACCUP and CHED. For Faculty Development and Advancement, the sector’s accomplishments cultivated faculty advancement and welfare through recruitment and reclassification, and professional development through research and extension. In terms of student’s holistic development, the academic sector implemented a wide array of academic and non-academic activities that provided students equitable access to quality education. Lastly, the academic sector has surpassed its targets in terms of local and international academic linkages. The challenges met during FY 2023 shall be the springboard for the ways forward.

MOUNTAIN PROVINCE STATE POLYTECHNIC COLLEGE

**ANNUAL**  
Accomplishment  
*report*

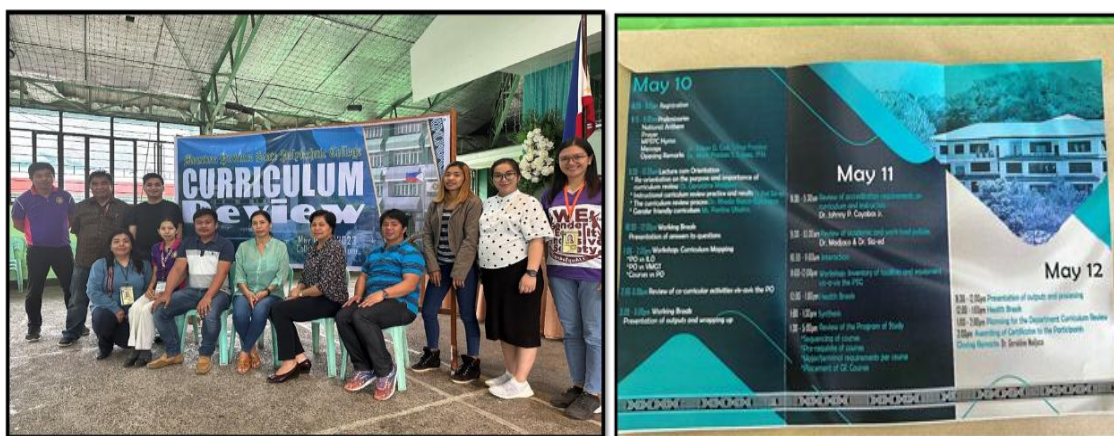

## TADIAN CAMPUS

This report provides the accomplishment reports of the Tadian Campus for January to December 2023. It highlights significant progress towards the Sustainable Development Goals (SDGs) by contributing to the following:

1. No Poverty (SDG 1): The campus through its scholarships and free extension services to the communities helps in the aim to end poverty;
2. Quality Education (SDG 4): The Office of the Campus Director worked collaboratively with the different department chairpersons in developing and offering programs designed to accelerate student academic progress, increase graduation and board passing rates, and link students to gainful employment. Further, the campus helped in the compliance with quality assurance to ensure the delivery of quality education to its students;
3. Decent Work and Economic Growth (SDG 8): The campus has contributed to economic growth by providing training and education to individuals through its extension programs and activities, enabling them to secure decent work and contribute to the economy;
4. Industry, Innovation, and Infrastructure (SDG 9): the campus has contributed to sustainable cities and communities by conducting research and development activities and producing new technologies; and
5. Climate Action (SDG 13): the campus contributed to climate action through its agricultural programs and by researching climate change and its impact on the environment, and providing seminars and training to individuals on mitigating the effects of climate change.

### I. CURRICULUM REVIEW/DEVELOPMENT

Tadian Campus programs periodically conducted a series of curriculum reviews and revisions on May 10-11, 2023 which were attended and participated in by different stakeholders like students, and faculty members, to achieve the stated objectives effectively, deliberations on curricular substance, adequacy, relevance, and responsiveness. Moreover, flexibility, including emerging concerns and ample was considered. The whole process resulted in an operational curriculum content and design that has adequate inputs for the development of the attributes expected of the graduate under the program.

### II. QUALITY ASSURANCE

#### A. HIGHER LEVEL ACCREDITATION IN DIFFERENT PROGRAMS

As of September 2023, the active programs of the campus were accredited at different levels: Bachelor of Technical-Vocational Teacher Education, Bachelor of Science in Civil Engineering, Bachelor of Science in Geodetic Engineering, Bachelor of

Science in Elementary Education, Bachelor of Science in Secondary Education, Bachelor of Science in Agroforestry.

On April 2023, the College received the results of the AACCCUP Accreditation Visit of six programs conducted on October 3-7, 2022. With these results, six undergraduate programs passed different levels.

As a summary, the table below presents the current accreditation levels of all the programs of MPSPC.

**Table 3A. Accreditation Levels of MPSPC Programs as of September 2023**

Candidate for Level IV	Level III	Level II	Level I
<ul style="list-style-type: none"> <li>Secondary Education Program</li> </ul>	<ul style="list-style-type: none"> <li>Elementary Education Program</li> </ul>	<ul style="list-style-type: none"> <li>Geodetic Engineering</li> <li>Civil Engineering</li> <li>Electrical Engineering</li> <li>Forestry</li> <li>Agricultural Technology</li> <li>Agroforestry</li> </ul>	<ul style="list-style-type: none"> <li>BTVTED</li> </ul>

The different departments continued their activities in the different areas to comply with the recommendations given by the AACCCUP accreditors in preparation for the accreditation visit, that is, Phase II of Level III and IV Reaccreditation last October 25-27, 2023.

**Table 3B. Re-Accreditation**

## B. CERTIFICATE OF PROGRAM COMPLIANCE

All eleven (11) programs of the Tadian Campus were awarded their Certificate of Program Compliance (COPC) this year affirming that these programs substantially meet the minimum requirements of their respective Policies, Standards, and Guidelines as stipulated in their CMOs set by the Commission on Higher Education (CHED).

## III. BOARD PERFORMANCE

The board performance of MPSPC graduates in the different licensure examinations administered by the Philippine Regulatory Commission (PRC) nationwide from January- December 2023 showed the increased board passers of the College. The result shows that MPSPC produced different professionals this Academic Year 2023-2024. These new professionals have a total of 5 elementary teachers, 48 secondary teachers, 1 electrical engineer, 18 civil engineers, 1 forester, and 4 agriculturists.

**Table 4. Board Performance of MPSPC Tadian Campus Graduates from January to December 2023.**

#### IV. ENROLMENT

The campus had a total enrolment of 1,074 this Second Semester, Academic Year 2022-2023. There was a decrease in the enrolment during the Second Semester from the first semester that can be attributed to drop-outs and/or transfer of students. Tadian Campus registered a total of 2,245 enrollees in the undergraduate programs for the Academic Year 2022-2023. For the Middle Term 2023 enrolment, the Campus had a total of 438 enrollees. For the 1st semester, Academic Year 2023-2024 the campus recorded 1, 171.

MPSPC-Tadian Campus conducted the enrolment for the Second Semester SY 2022-2023 with a total number of 1,074 data was shown below:

## GENERAL ADMINISTRATION AND SUPPORT SERVICES

The General Administration and Support Services sector is comprised of two divisions, the Administrative Services Division and the Finance Services Division. The sector provides overarching support in the execution of administrative policies and sound financial resources management to create cross-functional sustainability, inclusivity, and harmonized development across all the areas of operations of the different service sectors in the College. In general, the sector with the collective efforts of the unit heads and staff were able to achieve the targets and surpassed some of the performance indicators. The sector has been efficiently delivering quality and excellent service as evidenced by the consistent rating of very satisfactory client satisfaction survey results, its continuing compliance to ISO 9001:2015 QMS and its efforts to comply with the PRIME-HR maturity levels.

The GASS Sector also aligned its programs, projects, systems, and processes with the Sustainable Development Goals of the United Nations. For FY 2023, the sector has effectively contributed to the programs that addressed 3 SDGs namely SDG 5; Gender Equality, SDG 9; Innovation and Infrastructure, and SDG 10; Reduced Inequalities. The College has taken a proactive role in promoting gender equality and inclusion. Through the implementation of gender sensitive policies, and programs, MPSPC has ensured equal opportunities for women in education and employment, while also providing a safe and respectful learning environment for all. These policies and programs have brought significant transformations in the college's gender dynamics, empowering women, and promoting diversity.

As the support service, the sector has also remained steadfast in its facilities development program which resulted to the upgrading its facilities with increased resource-use efficiency to meet the evolving needs of its students, employees, and stakeholders. The College believes that investment in infrastructure and innovation are crucial drivers of economic growth and human development. In this regard, the sector adopted a participatory approach in governance where regular engagement with the stakeholders of the college are pursued. The sector also supported the College's commitment to reducing inequalities by fully implementing its Equal Employment Opportunity Policy in hiring and accepting employees. It is also laudable effort that due to the sound financial management of the sector; the benefits of employees were fully granted especially the benefits that are dependent on savings like collective negotiations agreement, SRI, gratuity pay, the funding requirements for the reclassification of faculty members under JC No. 3, s. 2022 and the prompt processing of terminal benefits for retirees.

The notable accomplishment of the sector reflects the collective achievements of the different units under it with the cooperation and support of the other sectors across its four-fold mandates. These are also made possible with the strong and invaluable support of the stakeholders of the sector.

### I. HUMAN RESOURCE MANAGEMENT

#### A. ARTA

The Unit fully complied with ARTA requirements, including the establishment of the Anti-Red Committee.

#### B. PRIME HRM

The College was awarded by the Civil Service Commission (CSC) for complying Level 2 Maturity for Human Resource systems and Human Resource Management (HRM) competencies in Learning and Development, Rewards, and Recognition. The target for 2024-2025 was attained for FY 2023.

For FY 2023, the College has successfully complied with Maturity Level 2 in 4 pillars of PRIME-HRM; Recruitment and Selection, Performance Management, Learning and Development, and Rewards and Recognition.

**C. ROSS**

There were 90 Positions under the ROSS Phase 1 that were approved and funded effective September, 2023.

**II. FINANCIAL MANAGEMENT**

In FY 2023, the Unit demonstrated exceptional efficiency and accountability in various key areas. All claims and payable with complete attachments were promptly processed and issued to the relevant end users. A comprehensive budget consultation, involving all concerned units and stakeholders, was successfully conducted. The unit also was able to submit 100% of Accountability Reports to oversight agencies.

The unit ensured the provision of employee benefits linked to savings, such as CAN SRI, and Gratuity Pay. Implementation of faculty reclassification under JC No. 3, s. 2023, was diligently carried out. Additionally, terminal leave benefits for retirees were promptly processed and issued. Notice Cash Allocation for FY 2023 was released in a timely manner, with Fund 01 at 94.42% and Fund at 58%. Responsiveness to COA recommendations was exemplary, with a 100% rate of timely responses. Moreover, accountability remained a priority, as evidenced by the submission of 100% of Accountability reports to oversight agencies. Fund performance reflected financial management, with Fund 01 achieving a 95% rate and Fund 05 collecting 70% of the actual target collection.

**The Table Presents the Utilization Rate Fund 01 and 05**

UTILIZATION RATE FUND 01 & FUND 05			
FY 2023	Allotment Release	Obligation/Utilization	Utilization Rate
Fund 01	399,431,751.72	387,772,34a9.90	97.08%
Fund 05	136,783,679.08	91,516,410.30	66.91%
FY 2022			
Fund 01	379,091,645.41	377,590,692.78	99.60%
Fund 05	102,988,212.42	75,374,041.51	73.19%

**III. GENERAL SERVICES**

**A. PROPERTY MAINTENANCE**

The GSO unit demonstrated exceptional diligence in 2023, achieving a flawless 100% rate in monitoring and maintaining the physical plant, facilities, and equipment of the college. A fleet of 25 college vehicles received regular monitoring and upkeep, with the college further enhancing its transportation capabilities through the acquisition of two service vehicles as part of the refueling program: a School Bus and a Toyota Fortuner 2.8LT.

Additionally the college effectively implemented and sustained its waste management program, ensuring a clean and sustainable environment for all stakeholders.

**IV. SUPPLY AND PROPERTY MANAGEMENT**

Rigorous inspection protocols are in place to guarantee the quality of goods and services prior to distribution. Additionally, 100% of the Annual Procurement Plan (APP) and Procurement Program Management Plans (PPMPs) for the year 2023 have been successfully implemented.

**V. BIDS AND AWARDS COMMITTEE**

In 2023, transparency remained a top priority, with all procurement processes meticulously managed, including the posting of ITBs, Bids, Notices, Awards, and Contracts on PHILGEPS, ensuring full visibility and compliance

**VI. MANAGEMENT AND INFORMATION SYSTEM**

In 2023, the Unit demonstrated exceptional dedication to transparency and efficiency, maintaining a perfect 100% record for posting and updating the Citizen’s Charter. All public announcements and advertisements were consistently shared on College’s official website and social media platforms. The MIS Unit efficiently provided 100% of requested media services, while the ICT team enhanced the Research and Development Management System with new features and improved user interface, and initiated development on the Paper Trail System. Additionally, the GASS sector successfully implemented 100% registered QMS and ensured the proper issuance and acceptance of SME along with inventorying all serviceable SME. Lastly, to ensure a safe and secure learning and working environment, the security Plan and Process were strictly implemented for Bontoc, Tadian, and Paracelis Campus.

**VII. PLANNING DEPARTMENT UNIT**

1 College-Wide Strategic Planning was conducted by the Planning Office and was participated by all concerned unit representatives and stakeholders.

**VIII. EVENTS MANAGEMENT**

Throughout 2023, the office adeptly coordinated and facilitated 150 College activities and programs. The GASS sector achieved an outstanding 98% client satisfaction rate, showcasing their commitment to excellent service delivery. Moreover, GASS Frontline services received re-certification under ISO 9001:2015, underscoring their unwavering dedication to maintaining high-quality standards.

### H. 13 ASSIGNED REPRESENTATIVES AND COORDINATORS

The unit assigned 13 Research Coordinators:

1. Lichelyn Nasungan (Campus Director)
2. Annie Grail Ekid (TED)
3. Febie Liza Lengwa (BSOA)
4. Rachel Posot (BSA)
5. Elvin Rosario (BSBA)
6. Shiela Desierto (BSIT)
7. Rexton Chakas (LA)
8. Cherry Ann Chagyowen (BSN)
9. Claire Kaplaan Lafadchan (BSCrim)
10. Jeanlee Villaruz (HMTM)
11. Maria Paz Baldo (TED – Tadian)
12. Jenny Tumbaga (Engineering)
13. Jaccy Dumaliw (Agro-Forestry/ Forestry)

- The Office aimed to achieved 100% data entry into Portal for the year 2023 but managed to accomplish only 30%.

In year 2023, the sector successfully organized and conducted 13 Seminars attended by Faculty Researchers.

- Sustainability Planning for MPSPC Coffee Program
- Kick-Off of Cupping Laboratory Services
- Coffee Roasting Training
- Barista Training
- Seminar-Workshop on Mixed Methods Research
- Research Project Writeshop
- Training on the Application of Spatial Analysis in Watershed Management and Hydrologic Modelling
- Monitoring and Evaluation (M&E) Training
- Futures Framing for Mountain Province State Polytechnic College
- Workshop on the Crafting of the Indigenous Knowledge, Systems and Practices (IKSPs)
- Training on Office Communications and Frontline Services
- Visit of the University of Michigan to Turn-Over Photos and Digital Archives of the 1904 St. Louis Fair acquired through the ReConnect/ ReCollect Project
- Philippine Rural Development Project – Provincial Satellite Office – Luzon - Philippine Rural Development Project – Cordillera Administrative Region

- ❖ Indexing requirements were met at a 20% compliance rate.
- ❖ 1 Conference was held: The International Research and Innovation Conference on Education Engineering and Agriculture (IRECEEA) 2023, themed: “Achieving Success in Education, Engineering, and Agriculture” which took place from December 4-6, 2023, at Don Mariano Marcos Memorial State University North La Union Campus.

8 research outputs were utilized

- Cytotoxic Potentials of Betel Quid and Its Components
- Mapping the Provincial Tourism Brand of Mountain Province (Brand Manifesto of the Provincial Tourism Brand of Mountain Province)
- Food Security in Times of Covid-19 Pandemic: Experiences of Mountain Province
- Staffing in the Conflict Group: Exploring the Techniques of Recruitment
- Insurgency Recruitment in Sadanga: Opportunities and the Effects of the Government Interventions

- A Peoples' Journey: Continuing Struggle for Self-Determination in the Cordillera
- Lived Experiences of E-Sabangan Women on Multiple Burden
- Bar Management: Promoting Customer Safety
- Solar PV Submersible Pumping System Design
- Potential Production Well Locations Map
- Schedule of Manifold Valves Opening
- Science and Technology Interventions for Municipal Waterworks Improvement
- Conceptual Design of Community-Types Rapid-Pressure Filtration System using Locally Available Materials
- Bontoc Waterworks Distribution Network Map

#### **J. COMPLETION OF THE ENHANCEMENT OF THE MCC**

Several initiatives are underway to enhance agricultural competitiveness and environmental sustainability. DOST-PCAARRD is investing 5 million pesos in producing and conserving wild tea plants, led by

Lichelyn Nasungan. Meanwhile, CHED is allocating 3 million pesos for the establishment of the Highland Agriculture Innovation and Learning (HAIL) Center, aiming to foster innovation in farming practices. Additionally, Senator Loren Legarda is contributing 3 million pesos towards Climate-SMART Agriculture and Innovations, focusing on resilient farming methods and food innovation for disaster risk reduction. Another significant project, funded with 5 million pesos is dedicated to Bamboo Industry Development, aiming to promote environmental conservation and boost the local economy post-COVID-19. Furthermore, DOST RRI is investing 2.8 million pesos in ClimatePestDetect, an integrated digital platform designed to identify, detect early, and provide decision support on insect pests and diseases affecting semi-temperate high-value crops in Bauko, Mountain Province. Alongside these efforts, the Agricultural Competitiveness Enhancement Fund (ACEF) from DA-BAR, amounting to 5 million pesos, is allocated for the upgrading of the Montanosa Coffee Center at the Mountain Province State Polytechnic College, aiming to further develop the coffee industry in the region.

The Research Sector stands at 20% compliance with the requirements of a water testing laboratory, ensuring quality and accuracy in water analysis. Similarly, it has attained a 20% compliance rate with the requirements of a soil testing laboratory, essential for understanding soil health and nutrient content. The sector also has made substantial progress, reaching 50% completion of materials for the Mountain Province Research and Innovation for Indigenous Studies and Empowerment (MP RIISE) Program.

## II. EXTENSION AND COMMUNITY SERVICES

### A. REVIEWED AND UPDATED PROGRAMS

- 17 Departmental Extension Programs were Reviewed, Updated and Approved

- 1 Extension Program with GAD lens crafted and approved
- 1 Extension Manual Reviewed

- The unit has currently accomplished updating only 5% of the database out of 100% target
- There are 3M & E activities conducted
- 5 PPAs were evaluated
- 10 Activities were disseminated
- The unit was able to get 1 Best Extensionist Award and 3<sup>rd</sup> Best Extension Program

**B. ACTIVE PARTNERSHIP**

- There are currently 30 Active Partnerships Achieved by the Unit

- 29 Trainings and other Extension Services were Conducted

- 15 Knowledge Products were Developed and Published
- 70% Improvement of the CVSDRED was attained
- 1 Learning Site was Established

## RESOURCE GENERATION

The Resource Generation Sector oversees the operations of the Food and Catering Services (FCS), Digital Printing Press (DPP) and the Marketing Center. Anchored on the UN SDGs, it seeks to address SDG 1, No Poverty, SDG 8 Decent Work and Economic Growth, SDG 9 Industry, Innovation and Infrastructure and SDG 17 Partnership for the Goals.

The FCS serves meals and all other accompanying products. They attend to catering services to requisitioning units in the College on account while the DPP is the enterprise that addresses design and provisions on printed materials such as Identification (ID) cards, graduation/activity program pamphlet, information/advertising materials, personalized printing and other related outputs. On the other hand, the Marketing Center is the commercial outlet for school uniforms and other related attires (athletic, laboratory, cultural), souvenir products, and other allied products including incidental outputs/produce of researches that has been tried, tested and have matured in the extension services program of the College.

### I. REVENUE GENERATING ENTERPRISE

- The sector's target for 2023 intended to operationalize the Water Refilling Station however, administrative dilemma which included the identification of a health sanitation certified source of raw water and to consider the need for an exclusive water truck has beset this plan and thus, is being reconsidered for FY 2024
- Another plan is to augment the existing IGPs, which among others, the services of the Digital Printing Press (DPP) officially opened the inclusion of the operation of the printing and photocopying services in January of 2023.
- The tarpaulin printing machine was initially assessed for condemnation and disposal, the persistent effort of the Director of ProDEA led to the repair and restoration of the said machine last December of 2023 and started productive operation this January 2024 by printing the promotional advertisements for the Charter Day celebration

Repaired and restored tarpaulin machine.

## OFFICE OF THE PRESIDENT

The Office of the Presidential Management Staff under the direct supervision of the College President, is the frontline unit dedicated to accelerate and implement the effective delivery of services across mandates. Over the past year, the institution has gone through organizational restructuring to allow for a more logical operational management. Transformation wasn't solely limited to restructuring as it also encompassed subsequent adjustments made in response to the challenges encountered by the office.

Offices that are now under the Office of the President play a critical role in the seamless functioning of the institution. Each office fulfills its distinct functions and responsibilities, collectively contributing to our shared vision of excellence and progress. It is guided by its goal to enhance the efficiency and cost-effectiveness of management in the delivery of services. Moreover, it is tasked to develop and enhance its staff in all aspects, ensuring their commitment to their tasks continue to advance while upholding the highest ethical standards. ## MPSPC HYMN

Mountain Province State Polytechnic College,  
Noble seat of wisdom and knowledge;  
Blessed gift from God's gracious hand,  
To our dear and blest Igorot homeland.

Refrain : Hail to thee, MPSPC,  
We all love thee, we honor thee;  
And thy quest for truth will always be  
For God and all humanity.

Oh, hail! Our dear Alma Mater,  
All our minds, hearts and hands we offer;  
We will always rally round thee,  
May the good Lord ever bless thee
